1-TC-Manager can realize the functions that the host can restart or power off the users remotely.  
2- Share the host and chat with users flexible.

## Specification:

### E-FL300

#### System

Processor	Cortex A53,RK3328,1.5Ghz Quad-Core 64bit
Protocol	RDP8.1/10/10.6
System Memory	1GB
Storage Memory	8GB
Display Resolution	1920x1200 @60Hz
Operating System	Windows 7/8.1/10/11,Linux OS Windows MultiPoint Server 2008 R2/2012 R2/2016 R2

#### Interface

Power Adapter	5VDC
Output Current(max)	2.5A or 3A
Output Ports	1xVGA,1xHDMI, 4xUSB2.0, 1xUSB3.0, 1xSpk Port
Input Ports	1xDC Port,1xRJ45 Port, 1xMIC Port
High Speed Network Port	10/100/1000Mbps

#### Appearance

Product Size	102x102x28mm
Product Weight	Net: 143g
Mounting Kit	Mounting Plate

#### Performance

Operating Temperature	0 ~ 35°C
Operating Humidity (Rh)	10% ~90~(non-condensing)
Operation Voltage Range	100~240VAC
Rated Line Frequency	50~50Hz
Cooling	Fan-less Convection
Regulatory	ROSH,FCC,CE,CCC,Energy Star,BIS

We recommend to add 256MB per additional Thin Client terminal.
